25 to 28 August 2022

From	The Stewards	Document	52
To	The Team Manager, Campos Racing	Date	28 August 2022
		Time	13:55

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 14 - Lirim Zendeli

Competitor Campos Racing

Time 10:53

Session Race 2

Fact During the mandatory pit stop for Car 14 the front left tyre was not placed flat on the ground as required by the Sporting Regulations and intervention was carried out by the lollipop man.

Offence Breach of Article 28.10 of the FIA Formula 2 Sporting Regulations.

Decision A fine of 1000 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards summoned and heard the team representative (documents 46).
The Stewards reviewed video footage and found that the mechanic removed the front left tyre and during the process of placing the tyre on the ground, the lollipop-man slightly used his foot to receive and balance the tyre flat on the ground.
The Team Manager explained that it was a normal scheduled pit stop and the reflex made by the lollipop-man was intuitive and not intentional.
Having review the matter extensively, the Stewards determined that the Team did not follow the correct guidance of the regulations and that the tyre was not placed flat as required but rather the lollipop-man received the tyre on his food and aided in the placement of the tyre. The Stewards determined that this action creates a potential safety issue and take note that it was not a deliberate move by the lollipop-man.
Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
