Race Directors Communication

Following discussions during the F2 Driver Briefing regarding mechanics sitting on tyres in pit lane, please note that this is acceptable only when the arrival of the car is imminent.

Mechanics should, at all times, be aware of cars coming into pit lane from other teams and be ready to move quickly if required.

As a matter of safety, mechanics may not routinely sit on tyres for extended periods prior to pit stops.

Teams are reminded of the Article 28.10 of the 2022 FIA Formula 2 Championship Regulations.
