The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 25 - Ralph Boschung

**Competitor** Campos Racing

**Time** 16:28

**Session** Qualifying

**Fact** Car 25 (Boschung) was pushed back into Parc Ferme and did not exit the pit lane, drive around the track and enter Parc Ferme at the end of the Qualifying Session.

**Infringement** Alleged breach of Article 12.2.1.i of the FIA International Sporting Code.

**Decision** No further action.

**Reason** The Stewards examined video evidence. They summoned and heard the team representative (document 13).

Having considered the matter extensively, the Stewards determined that according to the Race Director's event notes (Document No. 2), it was not mandatory to go on the track and complete one lap to go to the Parc Fermé; the teams had the right to push back their cars in the pitlane to put it into the Parc Fermé. ("All cars in the F1 pit lane at the end of each session will be allowed to go on track and complete the lap to return to turn right through the gate at pit entry.") The Stewards, therefore, determined that there was no breach of regulations.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
