The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 25 - Hugh Barter

Competitor Campos Racing

Time 14:19

Session Practice

Fact Car 25 (Barter) made a practice start with a car in front of him.

Infringement Breach of Article 12.2.1.i of the International Sporting Code and item 22.4 of the Race Director Event Notes V2.

Decision Reprimand

Reason The stewards examined video evidence. They summoned and heard the driver Car 25 and team representative of Campos Racing (document 14).

Due to the fact that the left lane was wet, all drivers were using the right lane which resulted in the drivers having to queue and wait for the car in front to complete their practice start. Car 25 was the last of the queue and his engine was overheating so he did not want to stop the engine and decided to abort the practice start.

Having considered the matter extensively, the Stewards determined that despite there were mitigating circumstances Car 25 should have made it more obvious that he aborted the practice start and therefore decided to enforce a reprimand. Drivers must understand the safety guidance conveyed by the Race Director during briefings and then must exercise their own judgement in situations they encounter on track. The Stewards note that this is the driver's first practice start procedure on this track and is implemented for the first time this season for F3 cars during this event.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
