## Technical Delegate's Report

### **After Race 1:**

The floor fins and the underfloor of car **16** were found less than 20mm above the reference plane.

The lowest point of the right side floor fin was 11 mm above the reference plane and the lowest point of the right side underfloor was 1 mm above the reference plane.

This is not in compliance with Art. 4.3.13. of the FIA Formula 3 Championship Technical Regulations.

No part of the lower edge of the floor fins or the shaded area of the underfloor in drawing g31900156 may be less than 20mm above the reference plane and more than 30mm above the reference plane.
