From	The Stewards	Document	46
To	The Team Manager, PHM Racing by Charouz	Date	03 September 2023
		Time	15:03

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 17 - Joshua Mason

Competitor PHM Racing by Charouz

Time 10:13

Session Race 2

Fact One of the wheels of Car 17 (Mason) was outside of the white line, in breach of the requirements specified by the Race Director.

Infringement Breach of Article 12.2.1.i of the FIA International Sporting Code.

Decision A fine of 500 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards examined video evidence. They summoned and heard the team representative (document 33).
The team representative explained that the team was preparing for a double stack pit stop, when one of the wheels from Car 17 was placed outside the working lane. Video evidence is consistent with the explanation.
The team representative admitted that before the start of the race, the Race Director reminded all the teams of the narrow nature of the pit lane and requested them to keep all the equipment in contact with the white line that separates the inner lane from the fast lane.
Having considered the matter extensively the Stewards determined that the team of Car 17 failed to keep one of the wheels in contact with the white line and therefore failed to follow the Race Director's instructions.
Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
