The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 3 - Zane Maloney

**Competitor** Rodin Carlin

**Time** 10:12

**Session** Race 2

**Fact** One wheel of Car 3 (Maloney) was outside of the white line, in breach of the requirements specified by the Race Director.

**Infringement** Breach of Article 12.2.1.i of the FIA International Sporting Code.

**Decision** A fine of 500 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

**Reason** The Stewards examined video evidence. They summoned and heard the team representative (document 34).

The team representative admitted that one of the tyres of Car 3 was placed outside the working lane prior to Car 3's pit stop. Video evidence confirmed his statement.

The team representative also admitted that before the start of the race, the Race Director reminded all the teams of the narrow nature of the pit lane and requested them to keep all the equipment in contact with the white line that separates the inner lane from the fast lane.

Having considered the matter extensively the Stewards determined that the team of Car 3 failed to keep one of the wheels in contact with the white line and therefore failed to follow the Race Director's instructions.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
