The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 16 - Luke Browning

**Competitor** Hitech Pulse-Eight

**Time** 12:22

**Session** Race 1

**Fact** Overtaking under safety car deployment

**Offence** Alleged breach of Article 40.8 of the FIA Formula 3 Sporting Regulations - alleged overtaking under safety car

**Decision** No further action

**Reason** The Stewards examined video evidence. They Summoned and heard the drivers and team representatives of Car 16 & 25 (document 49 & 50). Car 16 overtook Car 25 at the exit of turn 10 at or about the time the Safety Car procedure commenced. Both drivers were unsure if the overtake had occurred before or after the Safety Car commencement. Pending advice from their teams, Cars 16 and 25 remained side by side and when the driver of Car 16 was informed by his team that the overtake had occurred shortly after the Safety Car commencement, he immediately gave the position back to Car 25. When the Safety Car period ended, the cars were in their correct positions. Having considered the matter extensively, the Stewards determined that they would take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
