Decision Reprimand

Reason The Stewards received a report from the Race Director and viewed video evidence including onboard camera footage from Car 6. They summoned (document 21) and heard from the Driver of Car 6 and the team representative and determined that Car 6 entered the support race pit lane during the session in breach of reference 25.2 of the Race Director's Event Notes. The Driver explained that he received a radio message from his team to pit that lap and having been accustomed to entering the support pit lane during the recent pre-season test sessions, mistakenly entered the incorrect pit lane. He immediately realised that the support pit lane was not in operation, continued at slow speed, exited the pit lane and re-entered the circuit. The Stewards were satisfied that this was done safely and that he also re-joined the track safely.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
