The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 11 - Mari Boya

**Competitor** MP Motorsport

**Time** 17:49

**Session** High Speed Track Test

**Fact** Driver of Car 11 was on track during High Speed Track Test.

**Offence** Breach of Article 12.2.1.h of the FIA International Sporting Code - any unsafe act or failure to take reasonable measures, thus resulting in an unsafe situation.

**Decision** A fine of 1000 EURO to be paid by the Driver. In accordance with ISC 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

In addition, the invalidation of the driver's credentials for the remainder of the season suspended until the end of the season which will be implemented should there be a similar violation at any time.

**Reason** The Stewards examined video and photo evidence. They summoned and heard the driver and team representatives (document 7).

Having considered the matter extensively, the Stewards determined that the Driver was in the company of his driver coach with whom he had arranged to walk the circuit following the Drivers Meeting which had concluded some minutes earlier. The Driver coach was aware that, according to the schedule, the circuit would be closed for track activity until 1800hrs. At approximately 1749hrs the Driver and his coach jumped the barrier near the entry to Turn 11 believing that track activity had ceased and without checking their watches. As they crossed the infield they noticed the FIA Medical Car approaching at speed and turned around and crossed back over the barrier. The Driver and coach acknowledged unreservedly that by entering the circuit when track activity was occurring, they created a serious risk not just for themselves but also the driver of the FIA Medical Car. They also both violated the conditions of their credentials.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
