Fact Tyres on Car 31 were changed on the grid

Offence Breach of Article 38.8 of the 2023 FIA Formula 3 Sporting Regulations – unless a precautionary change is necessary or a change in climatic conditions necessitates the use of a different specification of tyre, only a punctured or damaged tyre may be changed after a car leaves the pit lane for the first time.

Decision Car 31 must start the Sprint Race from pit lane

Reason The Stewards received a report from the Race Director and examined video evidence. Having considered the matter extensively, the Stewards determined that the tyres on Car 31 were changed on the grid after Car 31 had left the pit lane for the first time and had completed its reconnaissance laps. There had been no change in climatic conditions and no request had been made of the Technical Delegate to change any tyre for reason of damage or puncture.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
