The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 20 - Oliver Gray

**Competitor** Rodin Carlin

**Time** 10:13

**Session** Race 1

**Fact** Car 20 (Gray) overtook Car 6 (Goethe) before the Control Line at the Safety Car restart.

**Infringement** Alleged breach of Article 40.8 of the FIA Formula 3 Sporting Regulations.

**Decision** No Further Action

**Reason** The Stewards examined video evidence. They summoned and heard the drivers of Car 20 and Car 6 and team representatives (documents 29 & 30).

Car 6 stated that, just before the Control Line, he noted a suspension problem with his car that limited his ability to keep the pace and as a result he was slowing down. He suspected that he sustained damage to the car due to a car colliding into him on the approach to Turn 18. Car 20 stated that he maintained normal speed to the Control Line and was not intending to overtake Car 6 before the Control Line. Telemetry shows that the alleged overtake took place a meter or two away from the Control Line.

Having considered the matter extensively, the Stewards determine that Car 20 did not intentionally overtake Car 6. Car 6 had sustained damage from a collision and was not driving at race pace. The Stewards therefore elect to take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
