### Technical Delegate's Report

#### **After Race 2:**

Both front wing endplates of car **29** were found to be less than 70 mm above the reference plane. The lowest point of the left side was 67.5mm above the reference plane and the lowest point of the right side was 67.3mm above the reference plane.

This is not in compliance with Art. 4.3.13. of the FIA Formula 3 Championship Technical Regulations.

No part of the front wing endplate may be less than 70 mm above the reference plane and more than 80mm above the reference plane.
