The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 28 - Alejandro Garcia

**Competitor** Jenzer Motorsport

**Time** 09:55

**Session** Practice

**Fact** A team member attached the battery booster pack to assist in the restart of Car 28 (Garcia) while it was in the fast lane.

**Infringement** Breach of Article 28.4 of the FIA Formula 3 Sporting Regulations.

**Decision** A fine of 500 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

**Reason** The Stewards examined video evidence. They summoned (Document 10) and heard the team representative. Having considered the matter extensively, the Stewards determined that Car 28 (Garcia) stalled at the start of the session while leaving his pit position blocking the fast lane, causing the remaining cars to stop in the fast lane. A team member, carrying a booster battery pack, went to assist Car 28 in the fast lane. The team member connected the battery pack and restarted the car while in the fast lane, hindering other cars attempting to leave the pit lane. The team representative fully acknowledges the mistake. It is not permitted to work on a car while in the fast lane and as such no equipment should be taken into the fast lane.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
