

2023 ZANDVOORT EVENT

24 to 27 August 2023

From	The Stewards	Document	41
To	The Team Manager, Rodin Carlin	Date	25 August 2023
		Time	19:00

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 4 - Enzo Fittipaldi

Competitor Rodin Carlin

Time 14:21

Session Qualifying

Fact A tyre from Car 4 (Fittipaldi) was seen rolling across its pit bay apparently unsupervised during the Qualifying Session.

Infringement Breach of Article 12.2.1.h of the FIA International Sporting Code

Decision No further action.

Reason The Stewards examined video evidence. They summoned and heard the team representative (document 28).

Video indicated a wheel from Car 4 traversing its pit location whilst out of the control of a team member. The Event Notes contain very specific guidance about tyre handling during the races, but not during other sessions. That being the case, the question remains whether such action is safe or not. The stewards note that during the period that all the cars are stopped in pit lane that team members routinely roll tyres to and from each other. Given the lack of guidance in the Event Notes and the common nature of this practice on a quiet pit lane, the Stewards elect to take no further action. Teams should note that the Race Director may elect to issue further guidance on the point at future Events.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
