DECISION

Due to a combination of a lengthy red flag and overall scheduling constraints within the Event, it is necessary to shorten the Sprint Race. The race was suspended with 4 minutes and 20 seconds having elapsed. After consultation with the Race Director and pursuant to Article 11.9.3.b of the FIA International Sporting Code the Stewards elect to shorten the Sprint Race to a total duration of 26:20. The leader will be shown the end of race signal when he crosses the control line at the end of the lap following the lap during which the 26 minute and 20 second period ends.
