From	The Stewards	Document	96
To	The Team Manager, PHM Racing by Charouz	Date	02 July 2023
		Time	17:01

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 29 - Sophia Floersch

Competitor PHM Racing by Charouz

Time 12:12

Session Race 2

Fact Technical non-conformity of both front wing endplates of Car 29 (Floersch).

Infringement Breach of Article 4.3.13 of the FIA F3 Technical Regulations.

Decision Disqualification of Car 29 from the Classification of the Feature Race (Race 2). All cars originally classified behind Car 29 are moved up one place in the Race classification.

Reason The Stewards received a report from the Technical Delegate (document 73) regarding the non-conformance of Car 29 to the FIA Formula 3 Championship Technical Regulations. Car 29's front wing endplates were less than 70 mm above the reference plane.

The Stewards summoned and heard the team representative (document 83). The Team explained that they had set up the car on the limit and checked it. The Stewards accept the Team's assertion that at one point the car hit the curb. While this could explain the noncompliance, it does not forgive it. The Stewards determine to apply the standard penalty for a technical infraction.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
