---

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 24 - Joshua Duerksen

**Competitor** AIX Racing

**Time** 11:34

**Session** Practice

**Fact** Car 24 (Duerksen) impeded Car 16 (Cordeel) on the approach to Turn 14.

**Infringement** Breach of Article 31.6 of the FIA Formula 2 Sporting Regulations.

**Decision** Warning given to the Driver of Car 24.

**Reason** The Stewards examined video evidence. They summoned and heard the drivers and team representatives (documents 10 & 11).

Car 16, on a push lap, was closing on Car 24 who was on a cool down lap while on the preferred line approaching Turn 14. The driver of Car 24 acknowledged that he was focused on setting his car up for the next push lap and did not realize that Car 16 was closing. Car 24 realized the presence of Car 16 near the turn in point at which time Car 24 served to the left in an attempt to get out of the way. Car 16 was forced to brake earlier than normal and was compromised by Car 24 at turn in. The Stewards determine that Car 24 unnecessarily impeded Car 16 and elect to issue a warning which is the standard penalty for such an infringement in a practice session.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
