

2024 MONACO GRAND PRIX

24 - 26 May 2024

From	The FIA Formula One Technical Delegate	Document	2
To	The Stewards	Date	22 May 2024
		Time	14:51

Technical Delegate's Report

After the race car number 16 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections were the sprung suspension, the front and rear dampers and all front and rear inboard suspension components as well as all attached sensors, their loom routing and connections to the SECU and other units.

All inspected components were found to be in conformance with the 2024 Formula One Technical Regulations.
