

2024 MONZA EVENT

29 August to 1 September 2024

From	The Stewards	Document	52
To	The Team Manager, Campos Racing	Date	31 August 2024
		Time	19:11

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 21 - Josep Maria Marti

Competitor Campos Racing

Time 14:09

Session Race 1

Fact Car 21 (Marti) was on the grid, but the spare tyres were stored vertically next to the car, not laid flat as mandated.

Infringement Breach of Article 12.2.1.i of the FIA International Sporting Code.

Decision A fine of 500 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards examined video evidence. They summoned and heard the team representative (document 34).

During the starting procedure, the mechanics of Car 21 placed spare tyres on the side of each of the tyres fixed to the car. This is not compliant with the Race Director's communication stating that, on the grid, tyres not fitted to the car must lie flat on the ground or be placed on the tyre trolleys. During the hearing, the Team Manager accepted the mistake, mentioning that his mechanics thought that this process was acceptable and that they wanted to do it during the Feature Race to warm the spare tyres which would be put on the car during the pit stop. In this case, the spare tyres were never put on Car 21 and no sporting advantage was gained. Therefore, the Stewards decided to impose a fine to the team.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
