

2024 SILVERSTONE EVENT

4 to 7 July 2024

From	The Stewards	Document	70
To	The Team Manager, Campos Racing	Date	07 July 2024
		Time	12:50

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 10 - Oliver Goethe

Competitor Campos Racing

Time 08:56

Session Race 2

Fact Team personnel not wearing appropriate eye protection during pit stop.

Infringement Breach of Article 28.11 of the FIA Formula 3 Sporting Regulations.

Decision A fine of 2,500 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards examined video evidence. They summoned and heard the Team Representative (Document 61).

During Car 10's (Goethe) pit stop, all Team personnel conducting the pit stop were observed with their eye protection visors in the raised position throughout the pit stop, which the Team Representative did not dispute. He said that he believed that they were raised to improve visibility in the relatively dark conditions in pit lane. That is not an acceptable reason for the clear breach of the important mandatory safety measures specified in the Sporting Regulations for all pit stops.

Having considered the matter extensively, the Stewards determined that the Team is in breach of this regulation and is fined 2,500 Euro.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
