The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 24 - Nikita Mazepin

Competitor Hitech Grand Prix

Time 13:40

Session Practice

Fact Car 24 did not return to the F2 Support Race pit lane at the end of the session immediately after the session ended, in violation of the Race Director Event Notes Item 20.1

Offence Alleged breach of Article 12.1.1.i of the 2020 International Sporting Code

Decision No further action.

Reason The Stewards reviewed the video. They summoned and heard the driver & team representative (document 10). When the driver of Car 24 crossed the finish line at the end of the session, the chequered flag had not been displayed but the gantry lights had just turned to red. The driver therefore believed the session was still live. The team advised the session was over but the driver had already passed the entry to the F2 support pit lane by this time. The driver therefore completed the remainder of the lap at a slower speed and entered the F1 pit lane rather than stay on track.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 10.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
