## 2020 SAKHIR GRAND PRIX

3 - 6 December 2020

---

**From** FIA Formula One Technical Delegate  
**To** The Stewards **Date** 05 December 2020

---

### Technical Delegate's Report

The following driver will use a new energy store (ES) for the remainder of the Event:

<b><i>Number</i></b>	<b><i>Car</i></b>	<b><i>Driver</i></b>	<b><i>Previously used ES</i></b>
51	Haas Ferrari	Pietro Fittipaldi	2

The energy store used by the above driver is the third of the two new energy stores allowed for the 2020 Championship season and this is not in conformity with Article 23.3a of the 2020 Formula One Sporting Regulations.

Therefore I am referring this matter to the stewards for their consideration.

The following driver will use a new control electronics (CE) for the remainder of the Event:

<b><i>Number</i></b>	<b><i>Car</i></b>	<b><i>Driver</i></b>	<b><i>Previously used CE</i></b>
51	Haas Ferrari	Pietro Fittipaldi	2

The control electronics used by the above driver is the third of the two new control electronics allowed for the 2020 Championship season and this is not in conformity with Article 23.3a of the 2020 Formula One Sporting Regulations.

Therefore I am referring this matter to the stewards for their consideration.

**Nikolas Tombazis**
