Technical Delegate's Report 3

After Race 1:

Car #20 was found to be using the previous version of the DRS crank in Race 1.
The previous version of the DRS crank (Dallara part no. F21805C001) was replaced with an updated version (Dallara part no. F21805C020) for safety reasons before the Baku F2 Event 2019.
