Technical Delegate's Report

After the third free practice session today the gearbox of car number 47, driver Mick Schumacher, was replaced for a new one.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.4a of the 2021 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on 31 July 2021, at 13:34 hours.
