To	The Stewards	Date	23 June 2021
		Time	15:23

Technical Delegate's Report

After the Race of the French GP, car number 18 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections were the clutch assembly as well as sensors associated with the clutch actuator control, the clutch torque sensor, their loom routing and connections to the SECU and other units.

All inspected components were found to be in compliance with the 2021 Formula One Technical Regulations.
