Technical Delegate's Report

The following parameters have been changed during the Parc Fermé today by the Renault F1 Team for different ones:

Car 27: different front brake map parameters

The parameters have been changed with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2019 Formula One Sporting Regulations.

But as the above parameters are different from the ones originally used, car number 10 should now be required to start from the pit lane according to Article 34.6 of the 2019 Formula One Sporting Regulations.
