Technical Delegate's Report

The gearbox of car number 02, driver Stoffel Vandoorne, was replaced for a new one.

The gearbox has been replaced with the approval of the FIA technical delegate following a written request from the team concerned (requested on 29 September 2018 at 18:15hrs), this being in accordance with Article 34.2 of the 2018 Formula One Sporting Regulations.

The gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2018 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.
