The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

**No / Driver** 6 - Oliver Bearman

**Competitor** PREMA Racing

**Time** 14:19

**Session** Race 1

**Fact** The team used a rear plank that was marked and allocated as a front plank on Car 6 during Race 1.

**Offence** Breach of Art. 24.16 a) of the 2022 FIA Formula 3 Sporting Regulations.

**Decision** Fine of 1.000 (one-thousand) EUR to the Competitor.  
In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

**Reason** The Stewards having examined the physical evidence, summoned and heard the team representative (Document 40) and the FIA Technical Delegate. The FIA Technical Delegate reported that the Team nominated two front planks instead of one front and one rear. The FIA Technical Delegate presented the relevant part and confirmed that particular part is a rear plank. During the hearing, the team representative confirmed that they made an administrative error by checking the wrong box when they nominated that plank in the second round of the Championship in Imola.

The stewards determine that Car 6 gained no sporting advantage due to that administrative mistake, since the team is still well within the allowed limit of the number of planks they can use during the Championship.

Having considered the matter extensively, the Stewards determined that while errors can occur, this one is significant and impose a fine for the error.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits
