The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 2 - Dan Ticktum

**Competitor** DAMS

**Time** 11:55

**Session** Race 2

**Fact** Car 2 did not follow the correct podium procedure as detailed in Race Direction Communication 3 which had been officially receipted for by the team. At the end of Race 2, Car 2, along with Car 11 & Car 15 proceeded to the grid, not the pit lane as required.

**Offence** Breach of Article 12.1.1.i of the FIA International Sporting Code

**Decision** No further action.

**Reason** The Stewards examined video evidence. They summoned and heard all the drivers and team representatives involved (documents 41, 42 & 43) - and heard the statements of all parties involved. The drivers went to the grid for the podium ceremony (as happened for Race 1) when they should have proceeded into the pit lane for the podium ceremony for Race 2.

Having considered the matter extensively, the Stewards determined that while the driver of Car 2 was aware of the procedures, he was the third car in the group and when both other cars headed for the grid, the driver of Car 2 changed his direction from heading towards pit lane entry to join the others heading towards the grid.

The Stewards cautioned the team managers present that it is their responsibility to clearly communicate the information within their team that is supplied by the Race Director and other event officials
