Technical Delegate's Report

The gearbox of car number 18, driver Lance Stroll, was replaced for a new one.

The gearbox has been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2021 Formula One Sporting Regulations.

The gearbox change was before the six consecutive Events expired. Therefore this is **not** in compliance with Article 23.4a of the 2021 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.
