

2022 BAKU EVENT

9 to 12 June 2022

From	The Stewards	Document	53
To	The Team Manager, Campos Racing	Date	12 June 2022
		Time	16:23

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

Team Manager	Enrique Colomina
Competitor	Campos Racing
Time	11:14
Session	Race 2
Fact	There were 7 persons on the pit wall during the Feature Race.
Offence	Breach of Article 22.12 of the FIA Formula 2 Sporting Regulations
Decision	A fine of 2,000 Euros to be paid immediately by the Competitor, plus an additional fine of 8,000 Euros which is suspended for the remainder of the 2022 Season and will be implemented for any similar violation. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.
Reason	The Stewards examined video evidence. They summoned and heard the team representative (document 45). Having considered the matter extensively, the Stewards determined that video evidence clearly shows Mr Runefelt joining the pit wall signalling area of Campos Racing before the start of the race and remaining there for at least the first lap of the Feature Race. While it is clear that Mr Runefelt was not an operational team member, this is still a breach of the Sporting Regulations and the team must at all times control who is present on their pit wall. A significant portion of this fine has been suspended to discourage a recurrence of a similar incident. Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
