Technical Delegate's Report 2

Due to a supply shortage, not enough brake discs type B+ (Dallara part number F218100914) are available to equip all competitors equally.

In order to guarantee sporting fairness and equity in this regard, the FIA Technical Department recommends not permitting the use of the brake disc type B+ (Dallara part number F218100914) for the duration of the Mugello Event.
