The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

No / Driver 18 - Bent Viscaal

Competitor MP Motorsport

Time 10:26

Session Race 2

Fact After the chequered flag, the driver of Car 18 did not refit his steering wheel. A team member given authorisation only to depressure the fuel cell saw this was the case, and without requesting permission from the Technical Delegate reattached the steering wheel to Car 18.

Offence Breach of Article 2.5.1 of the FIA International Sporting Code and Article 44.1 of the 2020 FIA F3 Championship Sporting Regulations.

Decision Car 18 is disqualified from the results of Race 2.
All cars behind Car 18 in the classification are to be moved up one place.

Reason The Stewards received a report from the Technical Delegate. They summoned and heard the team representative (document 77).
Having considered the matter extensively, the Stewards determined that unfortunately the driver of Car 18 had not refitted the steering wheel as required (Stewards decision document 83). The team member who was given permission to access the parc ferme area to depressure the fuel cell saw that it was not fitted and that it was close to the edge of the car, did so without asking permission from the Technical Delegate. This is a breach of parc ferme conditions.
Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 10.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
