Technical Report

The following part has been replaced during the Parc Fermé today by the Williams F1 Team team:

Car 16: Engine

The engine has been replaced with the approval of the FIA technical delegate for a new one following a written request from the team concerned, this being in accordance with Article 34.1 of the 2013 Formula One Sporting Regulations.

The new engine used by the above driver is one of the eight new engines allowed for the 2013 Formula One Championship season and this is in conformity with Article 28.4a of the 2013 Formula One Sporting Regulations.
