

2014 BRITISH GRAND PRIX

From	The FIA Stewards of the Meeting	Document	17
To	The Team Manager, Infiniti Red Bull Racing	Date	04 July 2014
		Time	14:29

The Stewards, having received a report from the Race Director, heard from the driver and team representative, and examined video/audio/telemetry evidence, have considered the following matter and determine the following.

No / Driver 3 - Daniel Ricciardo

Competitor Infiniti Red Bull Racing

Time 10:26

Session Practice 1

Fact Car 3 overtook car 14 under red flags and did not slow immediately.

Offence Alleged breach of Article 30.1 of the FIA Formula One Sporting Regulations.

Decision No further action warranted.

Reason During FP1 car 3 overtook car 14 shortly after the red flag was displayed before Turn 6. Having reviewed data from both cars, several angles of video and spoken to the driver concerned, the Stewards determined that: the pass occurred within tenths of a second of the red flag signal; that car 3 was approaching a car that was traveling significantly slower even before the red flag was displayed and therefore at the moment of the red flag the driver of car 3 was concerned with safely passing car 14; and that having seen the red flag indication on his steering wheel and on the track that he then took all reasonable actions to comply with the regulations and proceed in a safe manner.
