1. GENERAL PRINCIPLES

Scope

- 1.1 These Financial Regulations came into force on 1 January 2021. They form part of the terms and conditions of participation in the Championship. Each F1 Team participating in the Championship agrees to be bound by and undertakes to comply with these Financial Regulations.

Objectives

- 1.2 These Financial Regulations define a Cost Cap that limits certain costs that may be incurred by or on behalf of an F1 Team in each Full Year Reporting Period, while leaving that F1 Team free to decide how to allocate resources within that Cost Cap.
- 1.3 These Financial Regulations are designed to achieve the following objectives (the "**Objectives**"):
- (a) to promote the competitive balance of the Championship;
 - (b) to promote the sporting fairness of the Championship; and
 - (c) to ensure the long-term financial stability and sustainability of the F1 Teams,
- while preserving the unique technology and engineering challenge of Formula 1.
- 1.4 These Financial Regulations will be interpreted and applied by the Cost Cap Administration, the Cost Cap Adjudication Panel and the ICA in a consistent manner that treats all F1 Teams equally and that achieves the Objectives.
- 1.5 The definitive version of these Financial Regulations is the English version, which will be used should any dispute arise as to their interpretation. Defined words and phrases in these Financial Regulations (denoted by initial capital letters) have the meaning indicated in the Appendix to these Financial Regulations, unless otherwise defined in the body of these Financial Regulations. Unless otherwise specified, references to "Articles" are to Articles of these Financial Regulations, references to "may" shall mean in the sole discretion of such person or entity (as the context so requires), and any phrase introduced by the terms "including", "include", "in particular" or any similar expression shall be construed as illustrative and not as limiting the sense of the words preceding those terms.
- 1.6 If any part of these Financial Regulations is found by a court or authority of competent jurisdiction to be illegal, invalid or unenforceable, that part will be deemed not to form part of these Financial Regulations, and the legality, validity or enforceability of the remainder of these Financial Regulations will not be affected.
- 1.7 The Cost Cap Administration shall periodically review these Financial Regulations. These Financial Regulations may be amended and/or supplemented by the FIA World Motor Sport Council from time to time.

Accountability

- 1.8 Each F1 Team must ensure that all Personnel are made aware:

- (a) of the Objectives, content and substance of these Financial Regulations; and
 - (b) that the F1 Team is subject to these Financial Regulations.
- 1.9 Each F1 Team must ensure that all relevant Personnel are appropriately informed and trained with respect to the ways in which their areas of responsibility may impact the F1 Team's compliance with these Financial Regulations.
- 1.10 Each F1 Team must ensure that the FIA ethics and compliance policy in force from time to time with respect to these Financial Regulations is clearly communicated to all Personnel.

2. F1 TEAM OBLIGATIONS

2.1 Each F1 Team must:

- (a) demonstrate its ongoing compliance with the Cost Cap by submitting Reporting Documentation in respect of its Reporting Group to the Cost Cap Administration by the Reporting Deadline in respect of each Reporting Period and by providing any further information requested from time to time by the Cost Cap Administration;
- (b) cooperate fully and in a timely manner with the Cost Cap Administration in the exercise of its regulatory function, including any investigation conducted by or on behalf of the Cost Cap Administration pursuant to these Financial Regulations;
- (c) provide any information and documentation requested by or on behalf of the Cost Cap Administration relevant to any actual, potential or suspected instance of non-compliance with these Financial Regulations; and
- (d) faithfully execute its obligations under these Financial Regulations and act at all times in a spirit of Good Faith and cooperation.

Cap on Relevant Costs

2.2 An F1 Team must:

- (a) determine and report its Relevant Costs against the Cost Cap in the F1 Team's Presentation Currency; and
- (b) not have Relevant Costs in excess of the Cost Cap in the applicable Full Year Reporting Period.

The Cost Cap

2.3 The amount of the "**Cost Cap**" shall be as follows, in each case adjusted (if applicable) for Indexation:

- (a) in the Full Year Reporting Period ending on 31 December 2022:
 - (i) in the event that 21 Competitions take place in that Full Year Reporting Period, US Dollars 140,000,000; or
 - (ii) in the event that fewer than 21 Competitions take place in that Full Year Reporting Period, US Dollars 140,000,000, decreased by an amount equivalent

to US Dollars 1,200,000 multiplied by “X”, where “X” is equal to 21 minus the number of Competitions taking place in that Full Year Reporting Period; or

- (iii) in the event that more than 21 Competitions take place in that Full Year Reporting Period, US Dollars 140,000,000, increased by an amount equivalent to US Dollars 1,200,000 multiplied by “X”, where “X” is equal to the number of Competitions taking place in that Full Year Reporting Period minus 21;
- (b) in the Full Year Reporting Period ending on 31 December 2023 and in each subsequent Full Year Reporting Period:
- (i) in the event that 21 Competitions take place in that Full Year Reporting Period, US Dollars 135,000,000; or
 - (ii) in the event that fewer than 21 Competitions take place in that Full Year Reporting Period, US Dollars 135,000,000, decreased by an amount equivalent to US Dollars 1,200,000 multiplied by "X", where "X" is equal to 21 minus the number of Competitions taking place in that Full Year Reporting Period; or
 - (iii) in the event that more than 21 Competitions take place in that Full Year Reporting Period, US Dollars 135,000,000, increased by an amount equivalent to US Dollars 1,200,000 multiplied by "X", where "X" is equal to the number of Competitions taking place in that Full Year Reporting Period minus 21;

provided that if any Competition in a Full Year Reporting Period is cancelled less than three months prior to the proposed start date of that Competition (or, where applicable, any rescheduled date), such Competition shall be deemed to have taken place in the applicable Full Year Reporting Period for the purposes of Articles 2.3(a) to 2.3(c).

- 2.4 Where an F1 Team has a Presentation Currency other than US Dollars, the Cost Cap for that F1 Team shall be converted from US Dollars into that F1 Team’s Presentation Currency at the Initial Applicable Rate. For illustrative purposes, the amount of the Cost Cap in selected Presentation Currencies for the Full Year Reporting Period ending on 31 December 2022, as referred to in Article 2.3(a) (assuming 21 Competitions and Indexation of zero) is as follows:

Presentation Currency			
US Dollars	Pounds Sterling	Euros	Swiss Francs
(‘000)	(‘000)	(‘000)	(‘000)
140,000	110,314	127,481	139,442

Reporting Group

- 2.5 For the purposes of reporting Total Costs of the Reporting Group, an F1 Team’s Reporting Group shall comprise the F1 Team together with, where the F1 Team has incurred less than 95% of the costs of the F1 Activities undertaken by or on behalf of the F1 Team in the Reporting Period, such additional entities within the F1 Team’s Legal Group Structure as are determined in accordance with Article 2.6.

- 2.6 The additional entities to be included within the Reporting Group where an F1 Team has incurred less than 95% of the costs of the F1 Activities undertaken by or on behalf of that F1 Team in the Reporting Period shall be the entity (other than the F1 Team) within the F1 Team's Legal Group Structure that incurred the greatest amount of costs of the F1 Activities undertaken by or on behalf of the F1 Team in the Reporting Period, followed (to the extent required) by the entity within the F1 Team's Legal Group Structure that incurred the next greatest amount of such costs, and so on, until the entities included within the Reporting Group have incurred, in aggregate, 95% or more of the costs of the F1 Activities undertaken by or on behalf of the F1 Team in the Reporting Period.
- 2.7 In addition to those entities included in the Reporting Group pursuant to Articles 2.5 and 2.6, an F1 Team may elect to include additional entities in its Reporting Group from within its Legal Group Structure which have incurred costs of F1 Activities undertaken on behalf of the F1 Team in the Reporting Period.
- 2.8 For the purposes of Articles 2.5 to 2.7 (inclusive), the calculation of the costs of F1 Activities undertaken by or on behalf of the F1 Team in the Reporting Period:
- (a) shall not include Finance Costs and costs Directly Attributable to Marketing Activities;
 - (b) shall be made having adjusted out any amounts in connection with F1 Activities recharged from one member of the F1 Team's Legal Group Structure to another.
- 2.9 No entity shall be included in the Reporting Group of more than one F1 Team. If, but for the provisions of this Article 2.9, an entity would be included in the Reporting Group of more than one F1 Team pursuant to the provisions of Articles 2.5 to 2.8 (inclusive), then that entity shall only be included in the Reporting Group of the F1 Team in respect of which it incurs the greatest amount of costs of F1 Activities, excluding Finance Costs and costs Directly Attributable to Marketing Activities.
- 2.10 In the calculation of Relevant Costs, the costs of any F1 Activities incurred by entities within the F1 Team's Legal Group Structure but outside its Reporting Group, other than Finance Costs and costs Directly Attributable to Marketing Activities undertaken by any such entity, must either be:
- (a) recharged at Fair Value to a Reporting Group Entity and thereby included within Total Costs of the Reporting Group; or
 - (b) included in Relevant Costs at Fair Value by way of an Adjustment to Total Costs of the Reporting Group, as a Related Party Transaction pursuant to Article 4.1(a)(i).
- 2.11 The F1 Team should seek clarification from the Cost Cap Administration if it is uncertain whether an entity should be included in its Reporting Group.

- (a) Marketing Activities;
- (b) Heritage Asset Activities;
- (c) Non-F1 Activities;
- (d) Human Resources Activities;
- (e) Finance Activities; and

such cost shall be an Excluded Cost.

3.3 For the purposes of this Article 3, where an F1 Team has a Presentation Currency other than US Dollars, amounts expressed in US Dollars shall be converted into that F1 Team's Presentation Currency at the Initial Applicable Rate.

4. ADJUSTMENTS

4.1 Unless stated otherwise in this Article 4, in calculating Relevant Costs, the following adjustments to Total Costs of the Reporting Group must be made:

(a) Related Party Transactions, Exchange Transactions, Inter-Team Transactions, Power Unit Transactions and transactions pursuant to which a Customer Competitor uses a Transferable Component or a sub-assembly of a Transferable Component:

(i) Any Related Party Transaction, Exchange Transaction, Inter-Team Transaction (except for a transaction pursuant to which a Customer Competitor uses a Transferable Component or a sub-assembly of a Transferable Component) or Power Unit Transaction in connection with an F1 Activity must be included in Relevant Costs at not less than Fair Value.

(ii) In respect of any transaction pursuant to which a Customer Competitor uses a Transferable Component or a sub-assembly of a Transferable Component, the cost in connection with the use of that Transferable Component or sub-assembly of a Transferable Component must be included in Relevant Costs at not less than the minimum amount calculated in accordance with the methodology communicated by the Cost Cap Administration via a Determination no later than 30 November of the preceding Full Year Reporting Period in respect of each Full Year Reporting Period.

(b) Offsetting of income and costs:

(i) If a Reporting Group Entity has offset any income or gains within its Total Costs, or any costs or losses within its revenue, the F1 Team must make an upward adjustment in the calculation of Relevant Costs to gross up these amounts, unless such offsetting is permitted under its applicable accounting standards or it falls under the following:

(i) finance income may be offset against Finance Costs, provided that any exclusion made pursuant to Article 3.1(f) is made net of finance income; or

(ii) tax credits in respect of Corporate Income Tax may be offset against tax charges in respect of Corporate Income Tax, provided that any exclusion made pursuant to Article 3.1(g) is made net of tax credits in respect of Corporate Income Tax.

(ii) If a Reporting Group Entity has recognised income from a government incentive scheme within its revenue in respect of certain research and development costs included within its Total Costs, the F1 Team must make a downward adjustment in the calculation of Relevant Costs to offset such income against those research and development costs.

(iii) If a Reporting Group Entity has recognised a cost of materials or supplies within its Total Costs for the Reporting Period, and the F1 Team can prove to the satisfaction of Cost Cap Administration that, within the same Reporting Period:

- (i) those materials or supplies are sold to a third party, in order to manufacture finished goods to be purchased by the Reporting Group Entity for use on the F1 Team's F1 Cars, and the sale of those materials or supplies is recognised as income by the Reporting Group Entity; and
- (ii) the finished goods are purchased by the Reporting Group Entity and recognised as a cost within its Total Costs,

then the F1 Team must make a downward adjustment in the calculation of Relevant Costs to exclude an amount equivalent to the lower of either the cost of the materials or supplies initially recorded within Total Costs or the income recognised on the sale of those materials or supplies.

(c) Research and Development costs:

- (i) All costs in respect of Research and Development for F1 Activities must be included in Relevant Costs in the Reporting Period in which they are incurred.
- (ii) If a Reporting Group Entity has deferred recognition of any costs in respect of Research and Development for F1 Activities to a subsequent Reporting Period, an adjustment must be made in the calculation of Relevant Costs to ensure such costs are recognised within the Reporting Period in which they are incurred.

(d) Capitalisation of F1 Cars:

If a Reporting Group Entity has capitalised any costs in respect of an F1 Car during the Reporting Period, an adjustment must be made in the calculation of Relevant Costs to ensure such costs are recognised within the Reporting Period in which they are incurred.

(e) Capital Expenditure:

- (i) The amount (if any) by which the Capital Expenditure Amount for the Full Year Reporting Period exceeds the Capital Expenditure Limit must be included in the calculation of Relevant Costs.
- (ii) If the costs incurred as part of a Related Party Transaction, Exchange Transaction or Inter-Team Transaction (except for a transaction pursuant to which a Customer Competitor uses a Transferable Component or a sub-assembly of a Transferable Component) meet the definition of paragraphs (a) or (b) of the definition of Capital Expenditure, such costs must be included in Capital Expenditure at not less than Fair Value.

(f) Inventories:

(i) If the accounting treatment of Inventories within Total Costs of the Reporting Group varies from the following requirements, the F1 Team must make an adjustment in the calculation of Relevant Costs to reflect these requirements:

- (i) the cost of an item of Used Inventories must be recognised in full as an expense in the Full Year Reporting Period in which it was first used in respect of the F1 Team's F1 Cars;
- (ii) the cost of an item of Unused Inventories must not be recognised in the Reporting Period; and
- (iii) the cost of an item of Redundant Inventories (which has not been recognised in a previous Full Year Reporting Period pursuant to any other provision of this Article 4.1(f)(i)) must be recognised in full as an expense in the Reporting Period. Where practicable, the identification of Redundant Inventories must be carried out on an item-by-item basis. Otherwise, groups of similar items may be considered together.

(ii) the cost of an item of Inventories must comprise:

- (A) all costs of purchase, determined on the same basis as that used by the F1 Team in its Audited Annual Financial Statements in respect of the previous Full Year Reporting Period;
- (B) costs of conversion (including fixed production overheads allocated on a basis that is appropriate to the nature of the product and method of production and on the basis of the entity's normal level of activity, and applied consistently from one Reporting Period to another); and
- (C) other costs incurred in bringing the item of Inventories to its present location and condition.

(iii) In the event that an item of Redundant Inventories written off in a previous Reporting Period pursuant to paragraph (i)(iii) of this Article is used in a subsequent Reporting Period, the F1 Team must make an adjustment in the calculation of Relevant Costs for that subsequent Reporting Period to add an amount equal to that written off in the previous Reporting Period.

(g) Use of Power Units and Standard Supply Components:

Where a Reporting Group Entity undertakes Activities To Enable The Supply Of Power Units or activities to enable the supply of Standard Supply Components for use by the F1 Team, that F1 Team must include in its Relevant Costs an amount reflecting the Fair Value of the goods and services in connection with the Power Units or Standard Supply Components that are used by the F1 Team.

(h) Unrecorded costs or losses:

If costs or losses incurred by a Reporting Group Entity are not recognised within its Total Costs, which under the applicable accounting standards should have been recognised within profit or loss during the Reporting Period, an adjustment must be

made in the calculation of Relevant Costs to ensure such costs are recognised within Relevant Costs for the Reporting Period.

(i) Foreign exchange transaction costs:

(i) Subject to Article 4.1(i)(ii), if a Reporting Group Entity incurs a cost for a transaction in a currency other than the F1 Team's Presentation Currency, the F1 Team may choose to make an adjustment in the calculation of Relevant Costs to reflect the difference between such cost retranslated into the F1 Team's Presentation Currency using the Applicable Rate, and the value at which those costs were recorded on initial recognition within Total Costs of the Reporting Group.

(ii) If an F1 Team chooses to make such an adjustment, it must be made for all costs within Total Costs of the Reporting Group that have been transacted in all currencies other than the F1 Team's Presentation Currency, unless any such costs have otherwise been excluded from Total Costs of the Reporting Group pursuant to Article 3.

(j) Employee Termination Benefits:

In the event that an individual in respect of whom the exclusion at Article 3.1(x) has been applied is re-engaged (either as an employee or otherwise), to undertake any F1 Activities at any time during either:

(i) the same Full Year Reporting Period; or

(ii) one of the subsequent two Full Year Reporting Periods,

the amount of the Employee Termination Benefits and associated employer's social security contributions so excluded must be included in Relevant Costs in the Reporting Period in which the individual is re-engaged.

(k) Tyre test days:

For each day the F1 Team has participated in Testing in accordance with Article 10.8(e) of the 2022 Sporting Regulations during the Full Year Reporting Period ending on 31 December 2022, and in each subsequent Full Year Reporting Period, the F1 Team must make a downward adjustment in the calculation of Relevant Costs for the relevant Reporting Period equal to the amount communicated by the Cost Cap Administration via a Determination.

(l) Sprint:

For each Competition in the Full Year Reporting Period ending on 31 December 2022 and in the Full Year Reporting Period ending on 31 December 2023, that included a Sprint session:

(i) the F1 Team must make a downward adjustment in the calculation of Relevant Costs for the Reporting Period ending on 31 December 2022 and in the Full Year Reporting Period ending on 31 December 2023, equal to US Dollars 150,000; and

(ii) If an F1 Team's F1 Car suffers accident damage that, to the satisfaction of the Cost Cap Administration, occurred during a Sprint session and resulted directly in either:

(A) retirement of that F1 Car from that Sprint session; or

(B) entry into the pit lane of that F1 Car during that Sprint session,

the F1 Team must make a downward adjustment in the calculation of Relevant Costs for the Reporting Period ending on 31 December 2022 and in the Full Year Reporting Period ending on 31 December 2023, equal to US Dollars 100,000. For the avoidance of doubt, in the case that both of an F1 Team's F1 Cars fall within this Article 4.1(l)(ii) the F1 Team must make a downward adjustment in the calculation of Relevant Costs for the Reporting Period ending on 31 December 2022 and in the Full Year Reporting Period ending on 31 December 2023, equal to US Dollars 200,000; and

(iii) If an F1 Team's F1 Car suffers accident damage that, to the satisfaction of the Cost Cap Administration, occurred during a Sprint session, resulted directly in the retirement of that F1 Car from that Sprint session and the value of such accident damage, assessed in accordance with the requirements communicated by the Cost Cap Administration via a Determination is greater than US Dollars 100,000, the F1 Team may make a downward adjustment in the calculation of Relevant Costs for the Reporting Period ending on 31 December 2022 and in the Full Year Reporting Period ending on 31 December 2023, equal to the difference between the value of the accident damage and US Dollars 100,000.

(m) RDEC equivalence:

If an F1 Team incorporated outside of the United Kingdom has incurred costs within its Total Costs that would qualify as research and development expenditure under the United Kingdom's research and development expenditure credit ("RDEC") scheme, the F1 Team may choose to make a downward adjustment in the calculation of Relevant Costs for the relevant Reporting Period equal to the amount that the RDEC that would have been received were the Reporting Group Entity based in the United Kingdom exceeds any actual amount of credits recognised by the Reporting Group Entity (whether within its revenue, or offset within its Total Costs) from a government incentive scheme in respect of its research and development costs, provided that:

(i) the adjustment has been validated by an FIA appointed UK tax specialist, in accordance with the requirements communicated by the Cost Cap Administration via a Determination; and

(ii) the maximum value of the downward adjustment that an F1 Team may make in a Full Year Reporting Period pursuant to this Article 4.1(m), when aggregated across all relevant Reporting Group Entities, shall not exceed the RDEC Equivalent Maximum Amount.

4.2 In calculating Relevant Costs, the order in which costs must be excluded pursuant to Article 3.1, and adjustments must be made pursuant to Article 4.1, shall be determined by the Cost Cap Administration and set out in the Reporting Documentation.

- 4.3 For the purposes of this Article 4, where an F1 Team has a Presentation Currency other than US Dollars, amounts expressed in US Dollars shall be converted into that F1 Team's Presentation Currency at the Initial Applicable Rate.

5. REPORTING REQUIREMENTS

- 6.8 The Cost Cap Administration may engage an Independent Audit Firm to assist in reviewing an F1 Team's Reporting Documentation and to undertake a comparative financial analysis of the Reporting Documentation in order to help identify potential anomalies.
- 6.9 Each F1 Team shall provide such additional information, documentation or clarification in relation to its compliance with these Financial Regulations as the Cost Cap Administration may require from time to time.
- 6.10 Once the Reporting Documentation has been reviewed, the Cost Cap Administration shall conclude either:
- (a) that an F1 Team has complied with these Financial Regulations, in which case the Cost Cap Administration shall issue a compliance certificate to the applicable F1 Team; or
 - (b) that an F1 Team has not complied with these Financial Regulations, in which case the Cost Cap Administration shall either:
 - (i) enter into an ABA pursuant to the terms of Article 6.28 below with the F1 Team concerned; or
 - (ii) refer the case to the Cost Cap Adjudication Panel for a hearing.
- 6.11 There shall be no right of appeal against any decision by the Cost Cap Administration to issue a compliance certificate to an F1 Team.

Regulatory function

- 6.12 The Cost Cap Administration may during a Reporting Period require an F1 Team to provide information and/or documentation for the sole purpose of enabling the Cost Cap Administration to perform its regulatory function as contemplated by these Financial Regulations, including:

- (a) reviewing the controls being applied by that F1 Team to ensure that F1 Team's compliance with these Financial Regulations;
- (b) reviewing any Related Party Transaction, Exchange Transaction, Inter-Team Transaction, or Power Unit Transaction;
- (c) assisting in identifying any part of these Financial Regulations which may require clarification by the issuance of guidance; and
- (d) mitigating the risk of an F1 Team submitting incomplete, inaccurate or misleading Reporting Documentation.

6.13 In relation to any request pursuant to Article 6.12, an F1 Team must, and must procure that the other members of the F1 Team's Legal Group Structure shall, facilitate access to such of its premises, individuals, information and documentation as may be reasonably requested by the Cost Cap Administration.

6.14 Following any request pursuant to Article 6.12, the Cost Cap Administration may issue feedback to the relevant F1 Team in order to assist that F1 Team in complying with these Financial Regulations. Such feedback shall be advisory only and shall not constitute Financial Regulations.

Investigations

6.15 The Cost Cap Administration may conduct investigations into an F1 Team's compliance with these Financial Regulations, assisted, if it chooses, by an Independent Audit Firm. The time limitation on the prosecution of infringements by the Cost Cap Administration is five years. This five-year time period shall run from the date of the Full Year Reporting Deadline for the Full Year Reporting Period in which the infringement is alleged to have occurred. The Cost Cap Administration shall notify the F1 Team in writing in the event that a formal investigation is to be conducted.

6.16 Upon completion of an investigation, any decision by the Cost Cap Administration as to whether or not to take further action in accordance with these Financial Regulations will be at the sole discretion of the Cost Cap Administration taking into consideration the substance of the information disclosed and the merits of each case.

6.17 The Cost Cap Administration may grant partial or total immunity to any natural person who discloses facts that are likely to constitute an infringement referred to in Article 8 of these Financial Regulations, and/or who provides evidence allowing such facts to be prosecuted and penalised. The degree of immunity granted to this person by the Cost Cap Administration depends on the following factors:

- (a) whether or not the Cost Cap Administration already had the information;
- (b) the extent of the person's cooperation;
- (c) the importance of the case;
- (d) the importance of the offence in question and the conduct of the accused; and
- (e) past conduct of this person.

6.18 Immunity, whether partial or total, where granted, is always granted in writing. This document is signed by the Cost Cap Administration and by the person benefiting from the immunity. It specifies the type of immunity granted and sets out the sanctions that the FIA will not take against the person benefiting from the immunity. The immunity granted by the Cost Cap Administration, whether partial or total, is subject to the following conditions (the "**Immunity Conditions**"):

- (a) cooperating with the Cost Cap Administration, telling the whole truth, refraining from destroying, falsifying or concealing useful information or evidence, and at all times acting in Good Faith; and
- (b) providing the Cost Cap Administration with genuine, total and permanent cooperation throughout the entire investigation, which involves in particular:
 - (i) giving and repeating their testimony in accordance with any request and in any form required by the Cost Cap Administration; and
 - (ii) remaining at the disposal of the Cost Cap Administration to reply swiftly to any questions it may have.

These Immunity Conditions are repeated in the document granting immunity. The person benefiting from the immunity may, depending on the circumstances, be permitted to testify in a manner which safeguards their anonymity.

6.19 The immunity granted by the Cost Cap Administration is irrevocable, provided that it is not subsequently demonstrated, that the person benefiting from the immunity has not complied with the Immunity Conditions.

6.20 In the event that the person benefiting from the immunity does not comply with the Immunity Conditions, the Cost Cap Administration may ask the Cost Cap Adjudication Panel or, in the event of an appeal of the Cost Cap Adjudication Panel's decision, the ICA to revoke the immunity by written decision, with no possibility of appeal by the person concerned, who then would become liable to incur the sanctions permitted under the International Sporting Code.

6.21 The Cost Cap Administration and all persons taking part in an investigation are bound by an obligation of confidentiality vis-à-vis persons or organisations not concerned with the investigation. Nevertheless, the Cost Cap Administration may at any time make public its decision to conduct an investigation and the outcome thereof, provided at all times it maintains the confidentiality of any Confidential Information provided to it in connection with such investigation.

6.22 In relation to any investigation, an F1 Team must, and must procure that the other members of the F1 Team's Legal Group Structure shall:

- (a) cooperate fully with any such investigation and must procure that all Personnel cooperate fully with the investigation, as may be required;
- (b) grant access to the information and records of that F1 Team and/or of any member of the F1 Team's Legal Group Structure to any of the Cost Cap Administration, the Independent Audit Firm appointed by the Cost Cap Administration, the Cost Cap Adjudication Panel and/or the ICA;

- (c) make electronic devices of that F1 Team and/or of any member of the F1 Team's Legal Group Structure available for inspection and download to any of the Cost Cap Administration, the Independent Audit Firm appointed by the Cost Cap Administration, the Cost Cap Adjudication Panel and/or the ICA; and
 - (d) facilitate access to such of its premises, individuals, information, and documentation as may be required.
- 6.23 Each F1 Team must retain and preserve its accounting books and records in a manner that shall enable the Cost Cap Administration, the Independent Audit Firm appointed by the Cost Cap Administration, the Cost Cap Adjudication Panel and/or the ICA, on inspection pursuant to Article 6.22, to understand to its satisfaction, the content of the Full Year Financial Reporting Documentation submitted by that F1 Team in respect of the previous five Full Year Reporting Periods.

Complaints procedure

- 6.24 If an F1 Team (a "**Complainant Team**") believes that another F1 Team has not complied with these Financial Regulations, it may submit a report to the Cost Cap Administration as set out in Article 6.25.
- 6.25 Upon receipt of a written report from a Complainant Team, the Cost Cap Administration shall conduct an investigation into the reported non-compliance, subject to the following mandatory conditions being met:
- (a) the report identifies the non-complying F1 Team and clearly summarises the relevant non-compliance in each case. If a Complainant Team wishes to report non-compliance in respect of more than one F1 Team, the Complainant Team must submit a separate report in respect of each F1 Team to the Cost Cap Administration;
 - (b) the report clearly specifies the relevant provision(s) of these Financial Regulations which have not been complied with;
 - (c) the report is made in Good Faith and the signatories to the relevant report have reasonable grounds to believe that the information reported is true, accurate and duly supported by evidence;
 - (d) the report includes sufficient valid evidence in support of each reported instance of non-compliance;
 - (e) the report must be submitted in the period between 1 January and 30 April (inclusive) immediately following the Full Year Reporting Period in which the non-compliance is reported to have occurred; and
 - (f) the report shall be signed by the CEO and CFO of the Complainant Team.
- 6.26 The Cost Cap Administration may, in its sole discretion, decline to conduct an investigation if one or more of the mandatory conditions listed at Article 6.25 have not been met. The Cost Cap Administration shall inform the Complainant Team in writing of any such decision not to investigate. There shall be no right of appeal against any such decision not to investigate under this complaints procedure.

- 6.27 Upon completion of an investigation of a complaint reported pursuant to Article 6.24, the Cost Cap Administration shall prepare a recommendation report, which shall be submitted to the Cost Cap Adjudication Panel for consideration. The Cost Cap Administration shall inform the Complainant Team in writing of the submission of the report to the Cost Cap Adjudication Panel. The Cost Cap Adjudication Panel shall conduct a hearing and reach a decision in accordance with the provisions of Article 7.3.

Accepted Breach Agreement

- 6.28 If the Cost Cap Administration determines that an F1 Team has committed a Procedural Breach or a Minor Overspend Breach, the Cost Cap Administration may propose sanctions for such breach, which should be based on the same factors, including aggravating and mitigating factors, that the Cost Cap Adjudication Panel would take into account under these Financial Regulations for such breach pursuant to Article 8. If the F1 Team accepts the breach and the proposed sanctions the Cost Cap Administration may enter into an accepted breach agreement (an "**ABA**") with the F1 Team reflecting the acceptance. There shall be no right of appeal in respect of any decision by the Cost Cap Administration as to whether to enter into an ABA or not.

- 6.29 An ABA may:

- (a) set out certain obligations or conditions to be fulfilled or satisfied by the relevant F1 Team, either within a specified timeframe or on an ongoing basis; and/or
- (b) provide for enhanced monitoring procedures to be put in place in respect of the F1 Team; and/or
- (c) impose any Financial Penalty or Minor Sporting Penalties that would be available to the Cost Cap Adjudication Panel pursuant to Article 9 in respect of the relevant type of breach, save that the Cost Cap Administration shall not be entitled to impose the Minor Sporting Penalties specified in Articles 9.1(b)(ii), 9.1(b)(iii) and 9.1(b)(vi); and/or
- (d) set out details of the costs to be borne by the F1 Team, calculated by reference to the reasonable costs incurred by the Cost Cap Administration in connection with any investigations into that F1 Team's compliance with these Financial Regulations and/or the preparation of an ABA.

- 6.30 The Cost Cap Administration shall oversee the implementation of, and monitor compliance with, the terms of any ABA. If the relevant F1 Team fails to comply with any of the terms of the ABA, the Cost Cap Administration shall refer that F1 Team to the Cost Cap Adjudication Panel. Such non-compliance shall be treated as a Procedural Breach.

- 6.31 In order for the Cost Cap Administration to enter into an ABA, the relevant F1 Team must:

- (a) acknowledge that it has breached these Financial Regulations;
- (b) accept, observe and satisfy the sanction(s) and/or enhanced monitoring procedures levied;
- (c) agree to bear the costs detailed in the ABA, as referred to in Article 6.29(d); and
- (d) waive its right to challenge the ABA.

6.32 The Cost Cap Administration will publish a summary of the terms of the ABA, detailing the breach, any sanctions, and any enhanced monitoring procedures, omitting any Confidential Information.

7. COST CAP ADJUDICATION PANEL

7.1 The Cost Cap Adjudication Panel will comprise a panel of independent judges who will hear and determine cases of alleged breach of these Financial Regulations that are referred to it by the Cost Cap Administration, in accordance with these Financial Regulations. Decisions of the Cost Cap Adjudication Panel may be appealed to the ICA. The Cost Cap Adjudication Panel and, ultimately, the ICA have final authority in determining whether or not an F1 Team has complied with these Financial Regulations.

7.2 The Cost Cap Administration will refer a case to the Cost Cap Adjudication Panel in the following circumstances:

- (a) the Cost Cap Administration determines the F1 Team has committed a Procedural Breach and/or a Minor Overspend Breach and an ABA has not been entered into or is not deemed appropriate; or
- (b) the Cost Cap Administration determines the F1 Team has committed a Non-Submission Breach or a Material Overspend Breach; or
- (c) an F1 Team has entered into an ABA but has failed to comply with the terms of such ABA; or
- (d) following an investigation by the Cost Cap Administration of a complaint reported by a Complainant Team pursuant to Article 6.24 of these Financial Regulations.

7.3 Following a referral from the Cost Cap Administration the Cost Cap Adjudication Panel shall conduct a hearing and reach a decision.

7.4 The Cost Cap Adjudication Panel shall comprise a minimum of six judges and a maximum of twelve judges (the "**Judges**") elected by the FIA General Assembly in accordance with the FIA Statutes from among the candidates proposed by either:

- (a) the FIA Sport Members entitled to vote (as per Articles 3.1 and 3.3 of the FIA Statutes); or
- (b) a group of not less than five F1 Teams.

7.5 Every two years the Judges shall elect amongst themselves a President (the "**President of the Cost Cap Adjudication Panel**") and a Vice-President of the Cost Cap Adjudication Panel.

7.6 In case of impediment, the President of the Cost Cap Adjudication Panel shall be replaced by the Vice-President.

7.7 Each Judge's mandate shall take effect on 1 January following their election. They shall each serve a four-year mandate, which shall be capable of renewal twice, subject to the transitory provisions specified in the FIA Statutes.

- 7.8 If a seat becomes vacant for whatever reason and should the number of serving Judges fall below six, the General Assembly shall elect a replacement for the remainder of the mandate.
- 7.9 For each case, the judging panel shall comprise at least three Judges of which at least one Judge shall have been elected to the Cost Cap Adjudication Panel following his or her proposal by a group of five F1 Teams. The members of the relevant judging panel shall be appointed by the President of the Cost Cap Adjudication Panel.
- 7.10 Members of the relevant judging panel must have no conflict of interest (as defined in the FIA Code of Ethics) with the matter in question. In cases of doubt, the President of the Cost Cap Adjudication Panel (or, if he or she are themselves concerned, the Vice-President) shall determine whether or not a Judge has a conflict of interest but will not be required to explain their decision.
- 7.11 If a member of the relevant judging panel is unable, unwilling or unfit to hear the matter (whether because of a conflict of interest, as described in Article 7.10, or otherwise) the President of the Cost Cap Adjudication Panel shall appoint a replacement member to the judging panel.

Hearings before the Cost Cap Adjudication Panel

- 7.12 In respect of each hearing, one of the members of the judging panel will be appointed by the President of the Cost Cap Adjudication Panel to act as the President of the judging panel (the "**President of the Hearing**"). The President of the Hearing will be responsible for the conduct of the proceedings, verifying the regularity of the proceedings, ensuring that the rights of the Parties are respected (including their right to confidentiality at the hearing), keeping order during the hearing, and arranging for the drafting of the decision, (which shall be authenticated by his/her signature) as well as his/her notification to the FIA and the Respondent and its publication.
- 7.13 Those present at each hearing may include (together the "**Parties**" and each a "**Party**"):
- (a) the parties to the proceedings, namely the FIA (as the body responsible for enforcement of these Financial Regulations) and the relevant F1 Team (as the "**Respondent**");
 - (b) the representatives of the FIA and the Respondent;
 - (c) any Witnesses, as permitted under Articles 7.15 and 7.18; and
 - (d) any third party observer(s), as permitted under Article 7.17.
- 7.14 The Cost Cap Adjudication Panel will make public its decision to conduct the hearing, and will publish the final decision of the judging panel resolving the proceedings in accordance with Article 7.27, but otherwise the proceedings before the Cost Cap Adjudication Panel will be confidential and no Party may disclose any facts or other information (including Confidential Information) relating to the proceedings either before, during or after the proceedings.
- 7.15 The FIA and the Respondent may submit written evidence from their respective Witness(es) to the President of the Hearing within the prescribed timeframes. If the President of the Hearing considers the evidence to be relevant, he may invite such Witness(es) to attend the hearing in order to answer any questions from the President of the Hearing, and/or the

judging panel, and/or the FIA and/or the Respondent. Any Witness invited to attend shall not be authorised to present evidence on any issue which has not been addressed in their written evidence, unless (exceptionally) permission is granted by the President of the Hearing. Requests for the hearing of Witnesses may be refused by the President of the Hearing if he or she, in their sole discretion, considers them to be frivolous, vexatious, excessive and/or unnecessary.

- 7.16 The President of the Hearing will also invite the FIA and the Respondent to set out their respective arguments, where appropriate without the Witnesses being present.
- 7.17 Third parties may only attend the hearing with the permission of the President of the Hearing, which he may grant or deny in his sole discretion. If permission is granted, the third party shall attend the hearing in an observer capacity only. The third party shall not be permitted to make submissions, to present evidence, or to question Witnesses.
- 7.18 The President of the Hearing may decide, if he considers that fairness to the FIA or the Respondent requires it, or that it would assist the judging panel, to hear from any other Witness, in addition to the FIA, the Respondent and each of their Witnesses.
- 7.19 After they have made their statements, the President of the Hearing may direct any Witness to remain in the courtroom and not to speak to any other Witness.
- 7.20 The President of the Hearing will then invite each of the FIA and the Respondent to make their closing statements.
- 7.21 The President of the Hearing may permit a Party to attend via videoconference or other means of communication.
- 7.22 At any point during the hearing, the judging panel may decide, after hearing the Parties but before making a final decision:
- (a) to request further information; or
 - (b) to postpone proceedings to a later hearing, in particular in order to hear Witnesses.
- 7.23 After the Respondent has had the last word, the hearing will be declared closed and no further submissions or evidence shall be permitted, unless requested by the judging panel after a hearing has been re-opened.
- 7.24 After the close of the hearing, the President of the Hearing will announce the likely time and date when the decision will be pronounced.
- 7.25 The judging panel may decide to re-open the hearing at any point in its deliberation, for instance if it becomes aware of any new fact. In this case, each of the FIA and the Respondent shall be informed by a new notification for the further hearing.

Decision

- 7.26 Following a hearing, the judging panel shall make its decision, which shall:

- (a) be reached unanimously or else by a majority vote with each member of the judging panel having one vote and in the event of a deadlock the President of the Hearing having a further casting vote;
- (b) be in writing in the English language;
- (c) state the reasons for its decision;
- (d) be notified to each of the FIA and the Respondent;
- (e) in the event that an F1 Team is found to have been in breach of these Financial Regulations, contain details of:
 - (i) any sanction (which shall be determined in accordance with Article 9); and
 - (ii) the costs to be borne by the F1 Team, which shall be calculated by reference to the reasonable costs incurred by the Cost Cap Administration and the Cost Cap Adjudication Panel in connection with any investigation and/or adjudication. In the event that the reasonable costs incurred by the Cost Cap Administration are disputed, the judging panel shall determine them; and
- (f) in the event that an F1 Team is found to have complied with these Financial Regulations, contain instructions to the Cost Cap Administration to issue a compliance certificate.

7.27 The Cost Cap Adjudication Panel will publish the decision of the judging panel and the grounds upon which they are based, save for any Confidential Information.

7.28 If, within three months of the date of notification of a decision by the Cost Cap Adjudication Panel, any important new evidence is discovered which was unknown during the case before the Cost Cap Adjudication Panel and which could call into question, or cause the Cost Cap Adjudication Panel to modify, its decision, the Cost Cap Adjudication Panel may, within three months from the date of it being notified of such important new evidence, choose to re-examine its decision, following a process that respects both the rights of the Parties and the terms of these Financial Regulations.

Appeals

7.29 The ICA is the independent judicial body of that name, established under the FIA Statutes and the FIA Judicial and Disciplinary Rules to act as the final appeal court for international motor sport.

7.30 An appeal of a decision by the Cost Cap Adjudication Panel can be made by either the F1 Team in question, the FIA or those individuals listed in Article 9.8(b) of these Financial Regulations who are the subject of a decision by the Cost Cap Adjudication Panel, and shall be heard by the ICA in accordance with the FIA Judicial and Disciplinary Rules.

8. CATEGORIES OF BREACH

Procedural Breach

8.1 A "**Procedural Breach**" arises when an F1 Team breaches a procedural aspect of these Financial Regulations (including any Determination), except that a Non-Submission Breach, as defined in Article 8.7, does not constitute a Procedural Breach.

8.2 Examples of Procedural Breaches include:

- (a) making a Late Submission;
- (b) failing to submit Interim Reporting Documentation by the Interim Reporting Deadline;
- (c) failing to cooperate with or respond to a written request for information, documentation or clarification from the Cost Cap Administration within the timeframe imposed by the Cost Cap Administration;
- (d) delaying, impeding or frustrating the exercise by the Cost Cap Administration of its regulatory function, including an investigation conducted under the Financial Regulations, or any attempt to do so;
- (e) submitting Reporting Documentation that is inaccurate or misleading (e.g. by including inaccurate or misleading information or by omitting relevant information);
- (f) failing to comply with the terms of an ABA;
- (g) failing to comply with the requirements of Articles 1.8, 1.9 or 1.10;
- (h) failing to submit information or documentation required by any Determination by the applicable deadline included in that Determination; or
- (i) failing to submit a Used Inventory Incremental List in accordance with the requirements set out within FIA technical directive TD017 as renumbered and/or amended from time to time.

8.3 In the event the Cost Cap Adjudication Panel determines that an F1 Team has committed a Procedural Breach, the Cost Cap Adjudication Panel shall impose a Financial Penalty, unless:

- (a) the Cost Cap Adjudication Panel determines that sufficient mitigating factors exist to justify taking no further action; or
- (b) the Cost Cap Adjudication Panel determines that a sufficient aggravating factor(s) exist, in which case it shall impose a Minor Sporting Penalty in addition to the Financial Penalty, or in lieu of the Financial Penalty.

Late and Non-Submission of Full Year Reporting Documentation

8.4 In the event that an F1 Team does not submit all of the Full Year Reporting Documentation, fully completed, by the Full Year Reporting Deadline (a "**Late Submission**"), the Cost Cap Administration shall issue a late submission notice ("**Late Submission Notice**") to the F1 Team (the "**Late Submitting Team**").

8.5 Each Late Submitting Team shall, within 48 hours of receipt of the Late Submission Notice, provide the Cost Cap Administration with a written explanation of the reasons for its Late Submission.

8.6 The Cost Cap Administration may grant the Late Submitting Team an extension to the Full Year Reporting Deadline provided that it is satisfied with the written explanation pursuant to Article 8.5 (the "**Extended Reporting Deadline**").

8.7 In the event that a Late Submitting Team:

- (a) does not provide a written response to a Late Submission Notice within the specified time;
- (b) provides a written response to a Late Submission Notice within the specified time but such response is deemed unsatisfactory by the Cost Cap Administration; or
- (c) does not submit all of the Full Year Reporting Documentation, fully completed, by the Extended Reporting Deadline,

the Late Submitting Team shall have committed a Non-Submission Breach and shall be immediately referred to the Cost Cap Adjudication Panel.

8.8 An F1 Team that submits a Subset Cost Cap Reporting Template as part of its Full Year Reporting Documentation when such F1 Team has failed to meet the applicable deadlines in order to use Subset Accounts stipulated by the Cost Cap Administration via a Determination shall have committed a Non-Submission Breach.

8.9 In the event the Cost Cap Adjudication Panel determines that an F1 Team has committed a Non-Submission Breach, the Cost Cap Adjudication Panel shall impose a Constructors' Championship points deduction in accordance with Article 9.1(c)(i) and additionally may impose a Financial Penalty and/or any other Material Sporting Penalties.

Minor Overspend Breach

8.10 A "**Minor Overspend Breach**" arises when:

- (a) an F1 Team submits its Full Year Reporting Documentation and Relevant Costs reported therein exceed the Cost Cap by less than 5%; or
- (b) following the review of an F1 Team's Full Year Reporting Documentation (including, where applicable, the conclusion of any investigation undertaken by the Cost Cap Administration and/or the Independent Audit Firm appointed by the Cost Cap Administration), the F1 Team's Relevant Costs have been determined to exceed the Cost Cap by less than 5%.

8.11 In the event the Cost Cap Adjudication Panel determines that an F1 Team has committed a Minor Overspend Breach, the Cost Cap Adjudication Panel may impose a Financial Penalty and/or any Minor Sporting Penalties.

Material Overspend Breach

- 8.12 A "**Material Overspend Breach**" arises when:
- (a) an F1 Team submits its Full Year Reporting Documentation and Relevant Costs reported therein exceed the Cost Cap by 5% or more; or
 - (b) following the review of an F1 Team's Full Year Reporting Documentation (including, where applicable, the conclusion of any investigation undertaken by the Cost Cap Administration and/or the Independent Audit Firm appointed by the Cost Cap Administration), the F1 Team's Relevant Costs have been determined to exceed the Cost Cap by 5% or more.
- 8.13 In the event the Cost Cap Adjudication Panel determines that an F1 Team has committed a Material Overspend Breach, the Cost Cap Adjudication Panel shall impose a Constructors' Championship points deduction in accordance with Article 9.1(c)(i) and additionally may impose a Financial Penalty and/or any other Material Sporting Penalties.

Aggravating or mitigating factors

- 8.14 In determining the sanctions appropriate for a particular case, the Cost Cap Adjudication Panel shall take into account any aggravating or mitigating factors.
- 8.15 Examples of aggravating factors include:
- (a) any element of bad faith, dishonesty, wilful concealment or fraud;
 - (b) multiple breaches of these Financial Regulations in the Reporting Period in question;
 - (c) breaches of these Financial Regulations in respect of a previous Reporting Period;
 - (d) quantum of breach of the Cost Cap; and
 - (e) failure to co-operate with the Cost Cap Administration and/or Independent Audit Firm appointed by the Cost Cap Administration.
- 8.16 Examples of mitigating factors include:
- (a) voluntary disclosure of a breach to the Cost Cap Administration;
 - (b) track record of compliance with these Financial Regulations in previous Reporting Periods;
 - (c) unforeseen Force Majeure Events; and
 - (d) full and unfettered co-operation with the Cost Cap Administration and/or the Independent Audit Firm appointed by the Cost Cap Administration.

9. SANCTIONS FOR BREACH

9.1 The following sanctions may be imposed for breach of these Financial Regulations as set out in Article 8:

- (a) A "**Financial Penalty**", meaning a fine in an amount to be determined on a case by case basis.
- (b) A "**Minor Sporting Penalty**", meaning one or more of the following:
 - (i) public reprimand;
 - (ii) deduction of Constructors' Championship points awarded for the Championship that took place within the Reporting Period of the breach;

 - (iv) suspension from one or more stages of a Competition or Competitions, excluding for the avoidance of doubt the race itself;
 - (v) limitations on ability to conduct aerodynamic or other Testing; and/or
 - (vi) reduction of the Cost Cap,

provided that the penalty specified in Article 9.1(b)(vi) shall only be applied with respect to the Full Year Reporting Period immediately following the date of the imposition of the sanction (and subsequent Full Year Reporting Periods, where applicable).

- (c) A "**Material Sporting Penalty**", meaning one or more of the following:
 - (i) deduction of Constructors' Championship points awarded for the Championship that took place within the Reporting Period of the breach;
 - (ii) deduction of Drivers' Championship points awarded for the Championship that took place within the Reporting Period of the breach;

 - (vii) reduction of the Cost Cap,

provided that the penalty specified in Article 9.1(c)(vii) shall only be applied with respect to the Full Year Reporting Period immediately following the date of the imposition of the sanction (and subsequent Full Year Reporting Periods, where applicable).

Enhanced monitoring and suspended sanctions

- 9.2 In addition to any of the sanctions listed in Article 9.1, the Cost Cap Adjudication Panel has the power to impose enhanced monitoring in respect of an F1 Team.
- 9.3 At its sole discretion, the Cost Cap Adjudication Panel may suspend the application of any imposed sanction in whole or in part.
- 9.4 For the avoidance of doubt, in the event of an appeal of any decision, the application of all imposed sanctions shall be suspended until final decision is made by the ICA.

Payment of a Financial Penalty

- 9.5 Payment of all fines under these Financial Regulations shall be made within 30 days of the date of the relevant decision. In the event an appeal is made, payment shall be suspended until the outcome of the appeal is determined.
- 9.6 Subject to Article 9.5, any delay in the payment of all fines under these Financial Regulations automatically divests the F1 Team concerned of the right to participate in the Championship until that payment has been made.
- 9.7 Without prejudice to Article 9.6, interest shall be payable by the F1 Team to the FIA in respect of any fines not paid by the due date, accruing daily on the principal amount outstanding from the due date until the date of actual payment, at a rate of 2% above the US Federal Reserve System federal funds rate on the relevant due date.

Individual responsibility

- 9.8 In the event that:
- (a) an F1 Team's Full Year Reporting Documentation is incomplete, inaccurate or misleading in any material respect; and
 - (b) the Cost Cap Adjudication Panel determines that that F1 Team's CEO, CFO, Team Principal and/or Technical Director was aware, or ought reasonably to have been aware, of the same,

the Cost Cap Adjudication Panel may impose any of the sanctions permitted under the International Sporting Code on the individual(s) concerned, with the exclusion of fines.

10. ARRANGEMENTS FOR NEW ENTRANTS

An F1 Team that has been granted an FIA Super Licence for participation in the Championship must comply with these Financial Regulations in respect of the Full Year Reporting Period ending on 31 December immediately prior to the first Championship season in which such F1 Team participates, except that it shall not be required to comply with Article 5.2 in respect of that period.

11. AMENDMENTS TO THE REGULATIONS IN RESPECT OF SUBSEQUENT FULL YEAR REPORTING PERIODS

- 11.1 In respect of the Full Year Reporting Period ending on 31 December 2023 and each subsequent Full Year Reporting Period, the following amendments to these Financial Regulations shall apply:

Amendment to Article 4.1(f)

- (f) Inventories:
- (i) If the accounting treatment of Inventories within Total Costs of the Reporting Group varies from the following requirements, the F1 Team must make an adjustment in the calculation of Relevant Costs to reflect these requirements:
 - (i) the cost of an item of Used Inventories must be recognised in full as an expense in the Full Year Reporting Period in which it was first used in respect of the F1 Team's Current Cars;
 - (ii) the cost of an item of Unused Inventories must not be recognised in the Reporting Period; and
 - (iii) the cost of an item of Redundant Inventories (which has not been recognised in a previous Full Year Reporting Period pursuant to any other provision of this Article 4.1(f)(i)) must be recognised in full as an expense in the Reporting Period. Where practicable, the identification of Redundant Inventories must be carried out on an item-by-item basis. Otherwise, groups of similar items may be considered together.
 - (ii) the cost of an item of Inventories must comprise:
 - (A) all costs of purchase, determined on the same basis as that used by the F1 Team in its Audited Annual Financial Statements in respect of the previous Full Year Reporting Period;
 - (B) costs of conversion (including fixed production overheads allocated on a basis that is appropriate to the nature of the product and method of production and on the basis of the entity's normal level of activity, and applied consistently from one Reporting Period to another); and
 - (C) other costs incurred in bringing the item of Inventories to its present location and condition.
 - (iii) In the event that an item of Redundant Inventories written off in a previous Reporting Period pursuant to paragraph (i)(iii) of this Article is used in a subsequent Reporting Period, the F1 Team must make an adjustment in the calculation of Relevant Costs for that subsequent Reporting Period to add an amount equal to that written off in the previous Reporting Period.

Amendment to Article 4.1(l)

- (l) Sprint:
