Technical Delegate's Report

The following drivers will start the twelfth Event of the 2017 Formula One World Championship with a new gearbox:

Number	Car	Driver
02	McLaren Honda	Stoffel Vandoorne
09	Sauber Ferrari	Marcus Ericsson
94	Sauber Ferrari	Pascal Wehrlein

The above drivers did finish the last race in Budapest and this gearbox change was before the six consecutive Events expired. As this is not in compliance with Article 23.5a of the 2017 Formula One Sporting Regulations, I am referring this matter to the stewards for their consideration.

The McLaren Honda Formula 1 Team informed the technical delegate about Stoffel Vandoorne's gearbox change on Thursday, 24th August 2017, at 11:00 hours.

The Sauber F1 Team informed the technical delegate about Marcus Ericsson's gearbox change on Monday, 21st August 2017, at 15:27 hours.

The Sauber F1 Team informed the technical delegate about Pascal Wehrlein's gearbox change on Thursday, 24th August 2017, at 11:13 hours.

Number	Car	Driver
27	Renault	Nico Hülkenberg

The above driver had to replace his previous gearbox during the last Event for a spare gearbox and this was before the six consecutive Events expired. Therefore he may use a new gearbox at this Event and the six consecutive Events will start here in accordance with Article 23.5a of the 2017 Formula One Sporting Regulations.
