Technical Delegate's Report

After the third free practice session today the gearbox of car number 18, driver Lance Stroll, was replaced for a new one.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2017 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on 11 November 2017, at 12:16 hours.
