### Technical Delegate's Report

The driver Felipe Massa, car number 19, used the set of dry-weather tyres, which the competitor nominated prior the start of P1 for use during the first 40 minutes of P1 only, until 10:40:03, three seconds after the first 40 minutes of P1.

As this is not in compliance with Article 24.4 g) ii) of the 2017 Formula One Sporting Regulations, I am referring this to the stewards of the meeting for their consideration.
