Subject : FIA Standard 8860-2018 Advanced Helmets

Dear Sir or Madam,

We hereby inform you that the FIA has published an update of FIA Standard 8860-2018 Advanced Helmets, which can be found on the **FIA website**.

During the research and the development of FIA Standard 8859-2024 Premium Helmets, several updates in comparison with the 2015 standard were implemented. Since most of those updates represent a safety performance improvement, even for the Advanced Helmet level, they have been implemented the FIA Standard 8860-2018 to align with the FIA Standard 8859-2024.

Please share this informative note and take all the necessary measures to ensure that it is respected within your sphere of competence.

We remain at your disposal for any further information you may require.

The Safety Department
