Subject: Appendix 16 – Onboard cameras

APPLICABLE REGULATION(S)

2026 24 Hours of Le Mans Supplementary Regulations

DECISION

The WEC Committee would like to amend Appendix 16 as follows:

APPENDIX 16: ONBOARD CAMERA DECLARATION

24 Hours of Le Mans and Test Day

In this declaration, by on-board camera – stand-alone camera (no data connection, no power connection):

I, the undersigned _____ representing the Competitor
_____ entering car(s) n° _____
acknowledge that permission has been granted for the use of an on board camera only for the test day and free practice sessions of the 2026 24 Hours of Le Mans Competition.

Should the car(s) not be equipped with the on-board camera during the Scrutineering, the Competitor will not be allowed to use any on board camera during the 24 Hours of Le Mans Competition.

It is understood that no filming of any description can be made from the car outside the test day and the free practice sessions.

~~By signing this declaration, I acknowledge that the stand-alone camera fitted in the car shall not have any data or power connection with the car.~~

In addition, I confirm that the Competitor, the Drivers or any person involved with the Competitor will use footage taken from the fitted camera's for internal purposes only. The only exception to this rule is that the Competitor or the Drivers are allowed to use up to 60 seconds of footage taken from the camera during respectively the test day and the free practice sessions on their official social media accounts.

Please note that it is not permitted to use footage which involves an incident with another Competitor.

It is understood that under no circumstances the footage can be used for any commercial purposes, including TV and internet related purposes. If it is found that footage has been used on a website without a prior agreement having been reached with the Automobile Club de l'Ouest the rights to use such footage will be invoiced to the Competitor directly at no less than €10,000 per minute or part thereof.
