### Technical Delegate's Report

The BWT Alpine F1 Team has replaced the rear wing of car number 43 for one of a different specification during the Parc Fermé yesterday and today.

The rear wing has been replaced without the approval of the FIA technical delegate. As the rear wing is different from the one originally used, car number 43 should now be required to start the Sprint from the pit lane according to Article 40.9 b) of the 2025 Formula One Sporting Regulations.
