Technical Delegate's Report

Before the qualifying session:

Car 29 left the support paddock for the transfer procedure with a wet weather tyre fitted on the rear left side of the car, instead of a designated installation tyre. This is not in compliance with Article 3.1 of the F3 Budapest Event notes 2025. For the transfer procedures from the support paddock to the F1 pitlane, prior to all sessions and races, only the set of installation tyres detailed in Article 24.1 of the Sporting Regulations, may be used.
