From	The Stewards	**Document**	16
To	The Team Manager, Van Amersfoort Racing	**Date**	05 September 2025
		Time	12:25

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver	21 - James Hedley
Competitor	Van Amersfoort Racing
Time	09:53
Session	Practice
Fact	The VSC matrix indicated that car 21 failed to stay above the minimum time for two consecutive sectors after the red flag was deployed.
Infringement	Alleged breach of Article 31.9 of the FIA Formula 3 Sporting Regulations
Decision	No Further Action
Reason	The Stewards reviewed the VSC matrix and summoned and heard the Driver of Car 21 and their Team Representative (Document 13). During the practice session the VSC matrix indicated that Car 21 failed to stay above the minimum delta for two consecutive sectors after a red flag message was issued. When the stewards attempted to review the VSC matrix during the post-session hearing, a significant amount of data was missing including any data relating to the alleged breach by Car 21. Being unable to produce evidence against the driver, the Stewards cannot conclude that a breach occurred. Accordingly, the Stewards elect to take no further action. Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
