Technical Delegate's Report

The Oracle Red Bull Racing team has replaced the rear wing of car number 22 for one of a different specification. Also changes to the set-up of car number 22 have been made.

Therefore car number 22 should now be required to start the Race from the pit lane according to Article 40.9 a) of the 2025 Formula One Sporting Regulations.

I am referring this matter to the stewards for their consideration.

Jo Bauer
