### Regulation Clarification

Article 37.4 of the 2025 Sporting Regulations states:

*"Except for cars in the pit lane, when the three-minute signal is shown all cars must have their wheels fitted, after this signal wheels may only be removed in the pit lane."*

*A penalty under Article 39.3(d) will be imposed on any driver whose car did not have all its wheels fully fitted at the three minute signal"*

For the avoidance of doubt, "fully fitted" means that all work relating to the wheels, including checking the torque of the wheel nuts, must be completed before the three-minute signal.

Simon Gnana-Pragasam  
Race Director  
FIA Formula 2 Championship
