From	The Stewards	**Document**	21
To	The Team Manager, MP Motorsport	**Date**	24 September 2026
		Time	12:46

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver	10 - Oliver Goethe
Competitor	MP Motorsport
Time	10:17
Session	Practice
Fact	Car 10 (Goethe) had an incident at Turn 5 during VSC conditions.
Infringement	Alleged breach of Appendix L, Chapter IV, Article 2 (d) of the FIA International Sporting Code.
Decision	No further action.
Reason	The Stewards summoned (Document 13) and heard the Driver of Car 10 (Goethe) and the team representative. They examined video evidence. During the VSC procedure, the driver of car 10 locked up the tires and made contact with the wall prior to the entry of Turn 5. The driver stated that he experienced a mechanical failure in which the throttle became stuck at full throttle. He explained that he attempted to slow the car but was unable to do so, despite doing everything he could to bring it under control, ultimately resulting in contact with the wall. Having considered the matter extensively, the Stewards determined that the driver made an attempt to bring the car to a stop. However, a mechanical failure occurred, which prevented him from doing so safely. As a result, no further action is taken in relation to his actions. Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
