2026 BAKU EVENT
23 to 26 September 2026

From	The Stewards	**Document**	20
To	The Team Manager, MP Motorsport	**Date**	24 September 2026
		Time	12:44

The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

No / Driver	9 - Gabriele Mini
Competitor	MP Motorsport
Time	11:39
Session	Practice
Fact	Car 9 (Mini) was not able to provide a fuel sample of a minimum of 0.8kg after the Practice Session.
Infringement	Breach of Article 6.3.1 of the FIA Formula 2 Technical Regulations.
Decision	Disqualification of Car 9 from the results of the Practice Session. Removal of all times set by Car 9 in the Practice Session.
Reason	The Stewards, having summoned the Team Representative and the Driver of Car 9, and having heard from the Team Representative (the Driver did not attend), determine that the Competitor contravened Article 6.3.1 of the 2026 FIA Formula 2 Technical Regulations in that the team failed to ensure that a sample of 0.8kg of fuel could be taken from Car 9 for analysis at the end of the session. The FIA Technical Delegate reported that only 0.17Kg of fuel remained in Car 9 at the end of the session (Document 17). The Team Manager explained that the team miscalculated the anticipated fuel usage of Car 9 in the session. The Stewards are satisfied that the breach was a consequence of a misjudgement by the team. Car 9 was found to be technically non-conformant with the FIA F2 Technical Regulations, therefore, the Stewards imposed a penalty of disqualification of Car 9 from the Practice session. Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
