Technical Delegate's Report

Last night team personnel of the VISA Cash App Racing Bulls Formula One Team, who are associated with the operation of the car, were within the confines of the circuit during the twelve (12) hours and fourtysix (46) minutes period which commenced at 20:14 on 01 May, fifteen (15) hours and fourtysix (46) minutes before the scheduled start time of P3 and ends three (3) hours before the scheduled start time of the Sprint at 09:00 on 02 May.

This was the first of the four (4) individual exceptions permitted for the VISA Cash App Racing Bulls Formula One Team during the 2026 Formula One Championship season and therefore no action should be taken.

Not covering the car after a Sprint Qualifying session is a breach of Article B3.4.2 a). Therefore car 41 should now be required to start the Sprint from the pit lane according to Article B3.5.3 b) of the 2026 Formula 1 Sporting Regulations.

I am referring this matter to the Stewards for their consideration.

Jo Bauer

The FIA Formula 1 Technical Delegate
